

## LE CORDON BLEU PÂTISSERIE AND BAKING

# ASSOCIATE DEGREE OF APPLIED SCIENCE

### PROGRAM OF STUDY

The Associate of Applied Science Degree in Le Cordon Bleu Pâtisserie and Baking provides a well-rounded education that includes hands-on training and general education that could prepare you for a fulfilling next course.

You can learn the way as you train in the foundational skills and precision techniques that are crucial to the industry. Additionally, you'll work alongside experienced chef instructors who will demonstrate hundreds of baking and pastry proficiencies that you can then practice throughout your journey at Le Cordon Bleu.

During your program, you'll have significant time to practice your skills. Your training will culminate with two externships where you can acquire real-world experience and the confidence to pursue your passion.

This program is built on 100 years of tradition and honor. And with it, you'll not only be able to feed your passion, study techniques and refine your skills, you'll discover what you're made of.

### LEARN THE WAY

- Foundational precision techniques
- Hundreds of pastry and baking proficiencies
- Classic fundamentals with modern innovations
- Advanced confectionery, centerpiece and cake decorating techniques
- Understanding food service operations including cost control and purchasing
- Nutrition, dietary fads, and modification of recipes
- Origins of food and historical development of cuisine
- Principles of business plan development for supervision and entrepreneurship
- Develop your artistic talents through candies, show and centerpieces
- Recipe development
